# Digital LCD Dashboard Cluster Screen

UB-1261Q For BMW F10 F01 F06 F15 F25

A large digital LCD dashboard cluster screen for BMW F10, F01, F06, F15, and F25 models. The screen displays a speedometer with a needle and digital readout of 26 km/h, a tachometer with a needle and digital readout of 0.8 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.

UB-1292Q For BMW 3Series F30 2013-2020

A digital LCD dashboard cluster screen for BMW 3Series F30 (2013-2020). The screen displays a speedometer with a needle and digital readout of 188 km/h, a tachometer with a needle and digital readout of 0.8 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges. Below the main image are two smaller images showing the screen installed in a car's dashboard.

UB-1302Q For BMW 3Series E90 E91 E92 2005-2012

A digital LCD dashboard cluster screen for BMW 3Series E90, E91, and E92 (2005-2012). The screen displays a speedometer with a needle and digital readout of 110 km/h, a tachometer with a needle and digital readout of 4.2 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges. Below the main image are two smaller images showing the screen installed in a car's dashboard.

UB-1297Q For BMW 1Series F20 2013-2022

A digital LCD dashboard cluster screen for BMW 1Series F20 (2013-2022). The screen displays a speedometer with a needle and digital readout of 0 km/h, a tachometer with a needle and digital readout of 0.0 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.

UB-1305Q For BMW 7Series E65 2004-2008

A digital LCD dashboard cluster screen for BMW 7Series E65 (2004-2008). The screen displays a speedometer with a needle and digital readout of 0 km/h, a tachometer with a needle and digital readout of 0.0 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.

UB-1295Q For BMW X5 E70 2006-2013

A digital LCD dashboard cluster screen for BMW X5 E70 (2006-2013). The screen displays a speedometer with a needle and digital readout of 151 km/h, a tachometer with a needle and digital readout of 0.1 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.

UB-1304Q For BMW 1Series E87 2006-2011

A digital LCD dashboard cluster screen for BMW 1Series E87 (2006-2011). The screen displays a speedometer with a needle and digital readout of 188 km/h, a tachometer with a needle and digital readout of 0.0 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.

UB-1303Q For BMW X1 E84 2006-2015

A digital LCD dashboard cluster screen for BMW X1 E84 (2006-2015). The screen displays a speedometer with a needle and digital readout of 0 km/h, a tachometer with a needle and digital readout of 0.0 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.

UB-1306Q For BMW Z4 E89 2009-2016

A digital LCD dashboard cluster screen for BMW Z4 E89 (2009-2016). The screen displays a speedometer with a needle and digital readout of 0 km/h, a tachometer with a needle and digital readout of 0.0 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.

UB-1293Q For BMW 5Series E60 2003-2009

A digital LCD dashboard cluster screen for BMW 5Series E60 (2003-2009). The screen displays a speedometer with a needle and digital readout of 151 km/h, a tachometer with a needle and digital readout of 0.1 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.

UB-1297Q For BMW X1 F48 2016-

A digital LCD dashboard cluster screen for BMW X1 F48 (2016-). The screen displays a speedometer with a needle and digital readout of 16 km/h, a tachometer with a needle and digital readout of 0.0 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.

UB-1310Q For BMW MINI F55 R55 2004-2023

A digital LCD dashboard cluster screen for BMW MINI F55 and R55 (2004-2023). The screen displays a speedometer with a needle and digital readout of 100 km/h, a tachometer with a needle and digital readout of 0.0 x1000r/min, and a central car icon. It also shows system settings, fuel level, and temperature gauges.
